## Planning & Community Development ORGANIZATIONAL CHART

The Moore County Planning & Community Development-Dept. includes Planning, Code Enforcement, GIS, Road Naming/Addressing and Community Development. The Department is located in the County's one-stop permitting center at 101A Monroe Street in Carthage, NC which also houses the Environmental Health Dept. We are pleased to offer, under one roof, most of the services needed by citizens to begin the land-development process.

**13 Full-time  
Employees**
